

AQUA GP

SIZES: 1 gal., 5 gal., 55 gal.

GENERAL PURPOSE CLEANER

AQUA GP is a reliable, synthetic detergent that can cut through the soils most frequently found in food handling areas, such as grease, protein and sticky carbohydrates. This highly concentrated cleaner has unique penetrating action that emulsifies soils and holds them in suspension until wiped up. Rinses freely, leaving the surface clean and film-free. Very economical! Rinses easily, but for damp mopping unwaxed/unfinished floors such as quarry tile, rinsing is not necessary. This synthetic cleaner does not leave soap scum or hard water film.

PRODUCT SPECIFICATIONS

PRODUCT CODE AND PACK SIZE:

1201CG1-4	4 x 1 gallon
1201CG5	1 x 5 gallons
1201CG55	1 x 55 gallons

KOSHER INFORMATION: CRC Certified

TECHNICAL SPECIFICATIONS

Appearance / Color	Blue
Odor	Citrus
Shelf Life	2 years
Foaming	None
Solubility in Water	Complete
Specific Gravity	1.02 ± 0.005
pH	8.5 +/- 0.5
Storage Temperature	45 - 110 °F

DETAILED USAGE & INSTRUCTIONS

Light Duty Cleaning: Dilute AQUA GP at 1 oz/gal of water (1:128) for damp mopping and general cleaning. Mop, spray or wipe on and wipe or rinse off as required.

Normal Cleaning: Dilute AQUA GP at 2 oz/gal of water (1:64) for cleaning of floors, walls, ventilation and air filtering systems, bathroom fixtures and kitchen appliances. Wash, then wipe with soft cloth.

Heavy Duty Cleaning: Dilute AQUA GP at 4 oz/gal of water (1:32) on all stubborn soils on concrete floors, machinery, etc.

No rinse required for damp mopping unwaxed/unfinished floors such as quarry tile.

Recommended Uses: Damp Mopping Kitchen Floors, Fiberglass and Plastic Fixtures, Walls and Woodwork, General Purpose Cleaning
