

PEX CARB

SIZES: 1 gal.

READY TO USE OVEN & GRILL CLEANER

Turn every kitchen worker's nightmare into a dream with PEX CARB. Our high-powered cleaner easily sprays or brushes on cooking surfaces and just as easily wipes off, taking burnt grease and foods with it. Surfaces are left shining, with no residue to impart taste or odor to food. Versatile and fast-acting, PEX CARB cleans not only ovens, grills, griddles, burners and deep fryers, but oily machinery, conveyer belts, ducts and grease traps as well. Its dense, stable foam clings to vertical surfaces, penetrates and loosens burnt-on or heavily-encrusted accumulations. Highly effective, PEX CARB's special detergents and water softeners ensure optimum performance, no matter how hard your water. This non-flammable, non-fuming liquid cleans in 3 to 30 minutes, depending upon build-up. If desired, it can be left on ovens and similar surfaces overnight.

PRODUCT SPECIFICATIONS

PRODUCT CODE AND PACK SIZE:

3073CGH1-4 4 x 1 gallon

KOSHER INFORMATION: CRC Certified

TECHNICAL SPECIFICATIONS

Appearance / Color Red
 Odor Neutral
 Shelf Life 2 years
 Foaming None
 Solubility in Water Complete
 Specific Gravity 1.080 ± 0.005
 pH 13.2 +/- 0.5
 Storage Temperature 45 - 110 °F

FEATURES & BENEFITS

Easy to Use; Spray On, Wipe Off
 Fast Acting in 3 to 30 Minutes
 Performs Even in the Hardest Water
 Non-Flammable, Non-Fuming

IMPORTANT SAFETY INFORMATION

PRECAUTIONS: Do not get in eyes, on skin or clothing. Use with adequate ventilation. Wash thoroughly after handling. **Eye Contact:** Immediately flush eye with plenty of cool, running water. Remove contact lenses if applicable, and continue flushing for at least 15 minutes, holding eyelids apart to ensure thorough rinsing of the entire eye. **GET IMMEDIATE MEDICAL ATTENTION.** **Skin Contact:** Wash off immediately with soap and plenty of water while removing all contaminated clothes and shoes. If skin irritation persists, see a physician. **Ingestion:** Do not induce vomiting unless directed by a physician. If conscious and alert, give two glasses of water. Seek medical attention immediately. **Inhalation:** Remove to fresh air. If qualified give oxygen or artificial respiration as needed and/or seek medical help. Symptoms may develop after several hours.

KEEP CONTAINER CLOSED WHEN NOT IN USE.
 KEEP OUT OF REACH OF CHILDREN.

DETAILED USAGE & INSTRUCTIONS

OVENS, GRILLS, ETC: Use a foam dispenser and apply PEX CARB solution (see dilution ratio below) to rear wall first, then spray sides, bottom, and front panel. Work foam into heavy soil deposits with a stiff brush. Let cleaner stand on warm surfaces 3 to 15 minutes, cold surfaces 3 to 30 minutes depending on soil build-up. Remove emulsified soil with a wet cloth or sponge. Rinse surface and wipe dry.

MACHINERY: Follow above directions. Rinse foam and soil away completely using hose or sprayer whenever possible to thoroughly clean crevices and hard-to-reach surfaces. Extremely old and heavy accumulations may require two or more applications for complete removal.

RECOMMENDED DILUTIONS: Light Soil—Dilute 1 part PEX CARB to 15-20 parts water. Medium Soil—Dilute 1 part PEX CARB to 10 parts water. Heavy Soil—Dilute 1 part PEX CARB to 3-5 parts hot water.

SPECIAL INSTRUCTIONS: THIS PRODUCT CAN DAMAGE the following metals: aluminum, copper, brass, tin, zinc, and galvanized metal. If cleaner accidentally runs or is splashed onto these surfaces, Rinse off immediately.
